ACADEMIC COMPLETE™ :
UNIQUE QUALITY STARTS HERE.

LAUNCHED BY EBRARY 11+ YEARS AGO, ACADEMIC COMPLETE™ ENTERED THE INDUSTRY AS A ONE-OF-A-KIND SUBSCRIPTION PRODUCT.

There are more choices on the market today, but Academic Complete still delivers the *most unique* value to libraries and researchers.

Why settle for anything but the ebook solution that stands for quality and innovation, first?

Academic Complete offers unique advantages including:

- A critical mass of scholarly content, currently covering 16 subject areas totaling over 116,000+ titles and still growing.
- More unique titles in key subjects including Business & Economics, Science, Medicine, Computers, and Reference.
- More than double the unique University Press partners.
- Nearly 20% more unique *CHOICE Outstanding Academic Titles*. In fact, Academic Complete itself has been named to the *CHOICE OAT* list as a platform.
- More than three times the number of unique *Doody's Core Titles*.
- Nearly 40% more unique YBP Core Titles.
- Balanced currency, with three thousand+ more titles published after 2010
- The ability to automatically de-duplicate Academic Complete titles from your EBL Demand-driven Acquisition (DDA) consideration pool.

ACADEMIC COMPLETE OFFERS UNIQUE CONTENT VALUE PLUS UNIQUE WORKFLOW AND USER ADVANTAGES DESIGNED TO DRIVE RESEARCH OUTPUT AND DELIVER RETURN ON YOUR LIBRARY'S INVESTMENT.

- Prove return on your ebook investment to key stakeholders through usage data and reporting.
- Nearly 80% more titles in full collection without duplicate editions
- Provide patrons with a platform **built for ebooks** including DASH!™ (Data Sharing, Fast) for uploading and integrating your own digital repositories.
- Provide superior discovery through the Summon® service, the ProQuest platform, Book Display Widget™ from LibraryThing for Libraries™, and more.
- Streamline workflows to make discovery, selection, acquisition, and management of ebooks simple.
- Facilitate research outcomes with the new ebrary Reader, coming late Summer 2014.
- Offer unlimited, multi-user access 24/7, both on and offline.
- Integrate your subscription with additional titles—including those acquired or accessible through models such as DDA, Short-term Loan (STL), and Perpetual Archive—from ebrary and EBL.
