

A photograph of a modern library interior. In the foreground, a young man with glasses and a young woman are sitting at a long wooden table, each with a laptop. The man is holding a pen and looking at his laptop. The woman is looking towards him. In the background, there are tall bookshelves filled with books, and another person in an orange hoodie is visible. The overall atmosphere is bright and academic.

# Ebook Central Curated Topics

Save time and support emerging research  
with expertly curated title lists.

Curated Topics by ProQuest, part of Clarivate are librarian-selected lists of ebooks and print titles designed to simplify the content-selection process, give librarians their time back, and ensure access to the newest content on the most important research topics.

Selectors can browse over 270 niche sets of titles and purchase using a combination of classic and innovative acquisition models, including Perpetual Access, Demand-Driven Acquisition (DDA), Short-Term Loan (STL), Access-to-Own (ATO) through their preferred acquisition platform: LibCentral, OASIS or Rialto.

**270+**

COLLECTIONS AVAILABLE

# How to use ebook Curated Topics?

## Bridge curriculum gaps with Curated Titles

Quickly enhance your collection with librarian-selected recommendations on trending subjects. Monthly updates provide fresh, high-quality content that addresses your library's evolving multidisciplinary needs.

## Hassle-free acquisition of in-demand ebooks.

Explore recently published titles from the past 2-3 years, with no duplication of past offerings. Whether you need full sets or individual titles, acquire content seamlessly through LibCentral, OASIS, or Rialto.

## Acquire content with complete flexibility

Save time browsing by leveraging ProQuest's Collection Development expertise and flexible purchasing models - Perpetual Access, DDA, STL, ATO - to acquire high-quality ebooks.

**LIBCENTRAL** - View Curated Topics on the main page

**OASIS** - Find Curated Topics under "Review Titles"

**RIALTO** - Navigate to Market >> Curated Topics

Or contact us at: [ebookcentral@proquest.com](mailto:ebookcentral@proquest.com)

# Why librarians love Curated Topics

*"I truly appreciate the monthly Curated Topics. It's wonderful to have them at my disposal to **quickly browse through title recommendations**, especially when I'm busy with other tasks."*

**- Tiffanie Ford-Baxter, Associate Science Librarian,  
California State University**

## Meet LibLists

**LibLists**, short for Library Lists, is a ProQuest Books initiative designed to highlight the expert collection development skills of academic librarians. These librarian-curated ebook lists reflect both deep expertise and a passion for supporting emerging research trends. You can browse LibLists along with other curated content under the Curated Topics section.

Recently released LibLists include: *Inclusivity in Healthcare, Indigenising the Curriculum, Animal Allies, Mental Health and Wellness, Rooted Wisdom.*
